Learn • Grow • Improve

The Beacon is a bi-monthly e-newsletter published by Emerging Solutions in Pain, Inc.

Pain View IV

Perry G. Fine, MD, Aaron M. Gibson, PhD, MS56, Mary Lynn McPherson, PharmD, BCPS, CPE, and Mickey A. Brown, BSN, RN

Dr. Fine leads a discussion with a panel of experts on the skyrocketing rates of prescription drug abuse in the United States and ways to combat this, including the War on Drugs and REMS for Opioids.

Part 1: Skyrocketing Rate of Prescription Drug Abuse

Part 2: Ways to Combat the Skyrocketing Drug Abuse Problem Including the War on Drugs and REMS for Opioids
